

HSP Resources for TURI

These are some resources that TURI members might like to access in order to use Hansen Solubility Parameters.

The Official Hansen Solubility Parameter website. HSPiP can be bought from the site for \$1195
<http://www.hansensolubility.com>

AbbottApps Practical Solubility
<http://www.stevenabbott.co.uk/PracticalSolubility>

HSPiP training videos (Abbott YouTube channel)
<http://www.stevenabbott.co.uk/PracticalSolubility/Videos.html>

Protective glove choice based on HSP principles
<http://protecpo.inrs.fr/ProtecPo/jsp/Accueil.jsp>

Cleaning solvents based on HSP principles
<http://store.elsevier.com/Cleaning-with-Solvents-Science-and-Technology/John-Durkee/isbn-9781455731619/>

Pirika – from the Japanese HSPiP partner, a lively look at many HSP-related issues
<http://www.pirika.com/ENG/HSP/index.html>

HSP Calculations Excel Spreadsheet
Included with this info pack
