BASIC LAWN CARE TIPS

- ♣ Spread 1/4" compost, or sprinkle organic fertilizer, each fall.
- ♣ Seed with a mix of hardy grasses.
- ♣ Mow high! Keep mower blades sharp.
- ♣ Leave grass clippings on as lawn fertilizer.
- ♣ When soil is dry 6" down, apply 1" water.
- ♣ Overseed in the spring and fall.
- ♣ Strive for a soil pH around 6.8.
